Num	Activity	Printscreen
23	Open it	
24	Type #team or team in discover auras. Select your target image and click it.	

<p>25</p>	<p>Your page and click follow.</p>	
<p>26</p>	<p>Page that has been follow. Click back to return to main page.</p>	
<p>27</p>	<p>Click the HP Reveal target button (Blue in color)</p>	
<p>28</p>	<p>Scan your image.</p>	

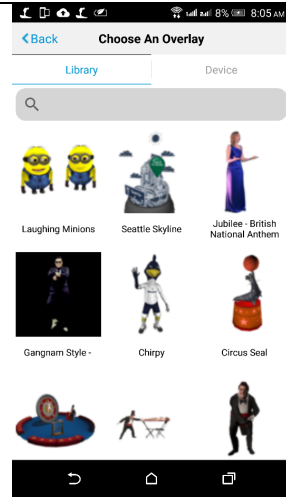

Overview to develop AR using HP Reveal Studio using **smartphone**

1. **Create photo** for target image
2. **Choose** an overlay and upload
3. **Name** the overlay
4. **Share** the overlay
5. **Test it**
6. **Scan** your image

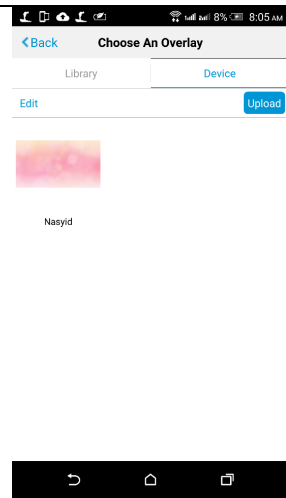

**2. SMARTPHONE**

Num	Activity	Printscreen
1	Open HP REVEAL . Click +	 <p>The screenshot shows the HP REVEAL app interface. At the top, there is a search bar labeled 'Discover Auras'. Below it, a grid of various Starbucks drink overlays is displayed, including 'Little Breeze Bakers', 'Cappuccino (3D)', 'Caramel Macchiato (3D)', 'Skippy Latte (3D)', 'Lacoste (3D)', and 'Vanilla Peppermint Macchiato (3D)'. The app is running on an Android phone, as indicated by the navigation bar at the bottom.</p>
	<b>Capture</b> your desire target image.	 <p>The screenshot shows a smartphone camera interface. A target image is overlaid on the camera view. The target image features the text '200 Tip Sehat Akal, Tubuh &amp; Iman' and 'Cajaja Rasulullah'. The camera interface includes a 'Take a photo' button at the top and a 'Cancel' button on the left. The phone's status bar at the top shows the time as 8:05 AM and the battery level at 76%.</p>

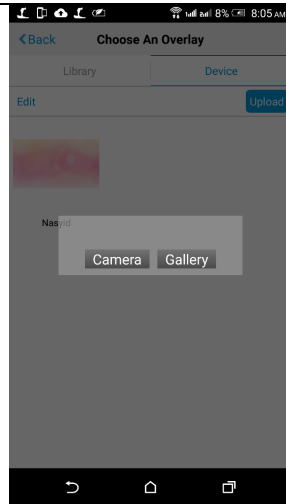

**Choose** an overlay video. Choose either Library or Device.

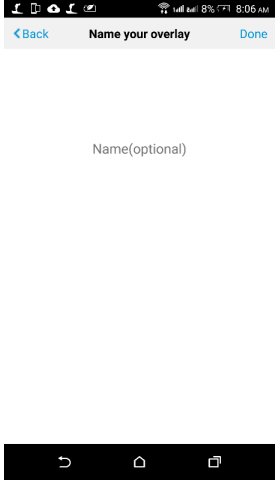

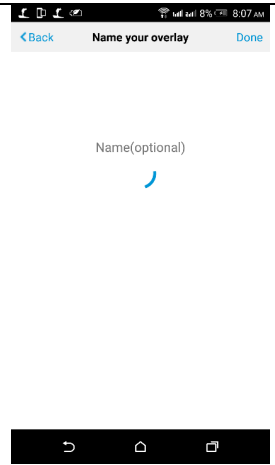

Choose device. Click Upload

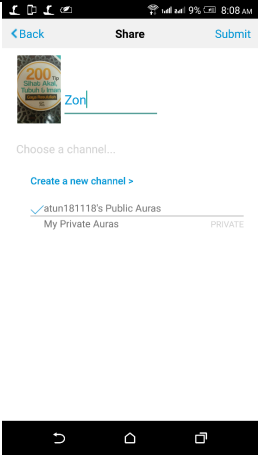

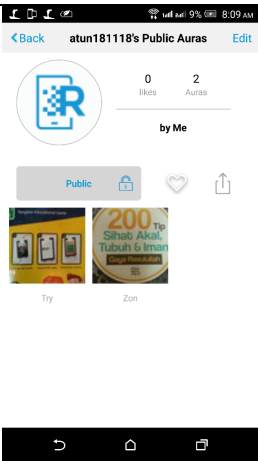

Choose either camera or gallery.

	<p>Click Done</p>	
	<p>Processing</p>	
	<p>Video successfully added. Click Next.</p>	

<p><b>Rename</b> the image and click public Aura.</p>	
<p>Click Done</p>	
<p>Listed Target Image.</p>	
<p>Follow step 27 and 28</p>
